

Spanish Style House

\$345,000

House Plan Features

Our home is gracious, warm and inviting. It is a charming 1920s spanish villa with three fireplaces and original tiles throughout the home. Perfect for families, one bdr/with seperate bath downstairs, 4 bdr 2 bath upstairs with a private master suite with fireplace and balcony. The kitchen has the most convenient indoor grill, which overlooks the den where we spend all our time. The family area opens onto a brick terrace with a fountain and gazebo, where outside dining is great throughout the year. A weekly housekeeper is included. Very modern technology with an old world charm

- Kitchen/Dining Area (Ground Floor)
- Living Area (Ground Floor)
- 4 Bedrooms (1 Master Bedroom, 3 Bedroom)
- 2 Toilet and Bath (Ground Floor, Second Floor)
